Tangible Personal Property Tax Returns (DR-405) are available for download from our website (*select Download Forms*).

Are there deadlines and penalties?

The deadline for filing is April 1st. Late filers will not be eligible to receive the Tangible Personal Property Exemption of up to \$25,000. After April 1, Florida Statutes provide that penalties be applied.

Can I receive an extension to file?

Yes. An online thirty day extension request is available on our website at www.SC-PA.com. (*select Tangible Personal Property*). Extensions must be requested before the end of business on March 31 to be considered.

How Do I Apply for the \$25,000 Personal Property Exemption?

The Tangible Personal Property Tax Return (DR-405) is the application for the exemption of up to \$25,000 for tangible personal property. A Tangible Personal Property Tax Return (DR-405) must be filed by **April 1** or within the approved extension period to receive the exemption.

What is the Waiver Of Tangible Personal Property I Received?

If a Tangible Personal Property Tax Return (DR-405) was timely filed and the Fair Market Value is \$25,000 or less, future filings for tangible personal property are waived. Tangible Personal Property

Tangible Personal Property is everything other than real estate used in a business. It includes furniture, fixtures, tools, machinery, household appliances, signs, equipment, leasehold improvements, supplies, and leased or loaned equipment used in a business to earn income. Personal household goods NOT used in a rental are not subject to the personal property tax.

Who Must File? Anyone in possession of assets on January 1 who has a proprietorship, partnership, corporation or is a self-employed agent or contractor, must file each year. Property owners who lease, lend or rent property must also file.

Why Must I File a Return? Section 193.052, Florida Statutes, requires that all tangible personal property be reported each year to the Property Appraiser's Office. In January, businesses that have previously filed will receive a letter with their password and instructions on how to file online. You may also choose to file a paper copy by downloading a Tangible Personal Property Tax Return DR-405 form from our website at www.SC-PA.com (*select Download Forms*). Businesses filing for the first time will need to file paper returns. All paper returns must be dated and signed by an authorized agent to be accepted by our office.

When Do I File a Return? The deadline for filing your Tangible Personal Property Tax Return is April 1. In certain cases, a 30 day extension may be granted.

What if I Disagree with my Tangible Tax Valuation? Personal property is assessed for Ad Valorem tax purposes, and you have the right to appeal to the Value Adjustment Board (VAB). However, please call us first, or come by our office to talk with us. We will show you how we arrived at your appraisal, and we will be happy to review any new information you may present. If you receive correspondence from this office and feel it is not applicable, return it with an explanation, or contact Robert Brunk at 941-861-8294.

Depreciation Tables

Depreciation Tables are finalized annually in July. The preliminary tables are subject to change without notice prior to that date. To estimate an asset's Market (Just) Value, first determine the asset's appropriate economic life; then multiply the original installed cost times the corresponding **Index Factor**; and finally multiply that result by the percent found in the **Depreciation** table.

<u>Example</u>	
Original Installed Cost	\$ 3,492.00
Index Factor (found in the tables)	<u>.81</u>
Sub-total	\$ 2,828.52
Depreciation Percent Good (found in the tables)	<u>.65</u>
Total	\$ 1,838.54

The Deadline for Filing your Tangible Personal Property Tax Return is April 1.

Filing for an Extension....In some cases it may not be possible to meet the filing deadline. Florida law allows the property appraiser to grant a filing extension provided the request is received by our office before the end of business on March 31st of the calendar year. You may file online at www.SC-PA.com. You will need the following information:

- ◆ The **Tangible Account Number** (*shown on your Return and also available using the Personal Property Search page on our website.*)
- ◆ The **Complete Name** of the Taxable Entity
- ◆ The **"Doing Business As" (DBA) name**
- ◆ The **Physical Address**

Filing an extension request does not guarantee approval. We consider each request individually. If the filing extension is granted, you will be notified by our office. Only requests received through our online form or by mail will be considered.

Helpful Hints

- ◆ File the Tangible Personal Property Tax Return (DR-405) no later than April 1 to avoid late filing penalties and loss of tangible exemption of up to \$25,000.
- ◆ Remember to sign and date the return. Unsigned returns are not accepted and are mailed back to the taxpayer.
- ◆ Work with your Accountant or CPA to identify any equipment that may have been physically removed. List those items in the appropriate space on your return.
- ◆ If you have an asset listing or depreciation schedule that identifies each piece of equipment, attach it to your completed form.
- ◆ Do not use vague terms such as "various" or "same as last year."
- ◆ It is to your advantage to provide a breakdown of assets since depreciation on each item may vary.
- ◆ If you sell your business please provide the new owner's name and address.
- ◆ Detailed information regarding filing is provided on our website at www.SC-PA.com. A tutorial video, found on our Tangible Personal Property page, explains how to edit and update your asset record quickly and efficiently. You may print a copy of the DR-405 for your records upon submittal of your online return.
- ◆ If you close your business or move to a new location, please inform this office. It will enable us to keep timely, accurate records.
- ◆ Report all tangible assets used in the business whether personally owned or fully depreciated for income tax purposes.
